

**FARJAMI & FARJAMI LLP**

www.farjami.com

Our law firm seeks patent attorneys with 2 or more years of prosecution experience in highly technical fields of electrical engineering.

**Excellent** academic credentials, and demonstrated legal and technical abilities are required. Electrical engineering degree or background is preferred.

The law firm offers compensation packages competitive with large firms, commensurate with qualifications, experience, and annual billings.

We are located in Orange County, California. Please visit our web site for more information and submit resume **by email only** to: [careers@farjami.com](mailto:careers@farjami.com).

**ICE MILLER's** Chicago office is currently seeking an associate with 3-5 years experience in Intellectual Property. Candidates must possess an undergraduate degree in Electrical Engineering or Chemistry. Applicants should have strong academic credentials and excellent communication skills. Please send a cover letter, resume and transcripts from undergraduate and law school to Lisa Watson, Director of Legal Personnel, Ice Miller, One American Square, Box 82001, Indianapolis, IN 46282. Applications will also be accepted via e-mail at [Lisa.Watson@icemiller.com](mailto:Lisa.Watson@icemiller.com) or via telecopy at 317-592-4280.

*Ice Miller is an Equal Opportunity Employer.*

**The Intellectual Property Law Group**

*Member of the National Association of Legal Search Consultants*

**Paradigm Genetics** is looking for an in-house attorney with approx. 2-4 years of full-time experience in the practice of IP law. The successful candidate will have an opportunity to immediately assist in the execution of the company's IP strategy and development of its patent portfolio. An advanced degree in the life sciences and/or relevant bench-level scientific experience is preferred, but not required, as is associate-level law firm experience. Please check our website, [www.paragen.com](http://www.paragen.com), for a complete job description.

**SYNNESTVEDT & LECHNER LLP**

One of the nation's oldest IP law firms, located in Philadelphia, PA and Princeton, NJ seeks registered patent attorneys and agents with strong technical and legal skills and at least 2-4 years of experience. Please send resumes and salary requirements in confidence to:

Dr. Patrick Kelly  
c/o Synnestvedt & Lechner LLP  
1101 Market Street, Suite 2600  
Philadelphia, PA 19107-2950

**EE PATENT ATTORNEY**

GROSSMAN, TUCKER, PERREAULT & PFLEGER, PLLC with offices in Manchester, New Hampshire seeks a patent attorney associate to join our growing practice. The candidate must have a degree in Electrical, Electronic or Computer Engineering and at least two years of patent prosecution experience, in addition to strong written and oral advocacy skills. Our firm offers a top-notch client base, an excellent compensation package and a relaxed, professional atmosphere. Please email resumes in confidence to:

Edmund Paul Pflieger  
[epfleger@gtpp.com](mailto:epfleger@gtpp.com)

**PATENT AGENT**

Assist the Patent & Trademark Counsel in the preparation, prosecution and maintenance of patent & trademark portfolios. Previous experience working independently with inventors preparing patent applications is desired. A high degree of independence and inventor contact is possible based upon experience and qualifications.

Candidates should have a degree in chemistry or chemical engineering, preferably an advanced degree. Registration before the USPTO is also required.

Please mention salary requirement when submitting resume

Ms. Kashmira Palkhivala  
Director, Human Resources  
International Flavors & Fragrances, Inc.  
521 West 57th Street  
New York, NY 10019

**SR. PATENT ATTORNEY**

**UOP LLC**, located in northwest suburban Chicago, is an international leader in technology, products and services for the petroleum processing and separation industries. Our Law Department is seeking Patent Attorney candidates for our world headquarters in Des Plaines, IL. The successful candidate would join UOP's Law Department consisting of more than 20 lawyers located in the United States and the United Kingdom.

**Accountabilities for this position include:**

- Defensive and offensive patent and trade secret matters associated with technology fields supporting a worldwide licensing business with emphasis on patent solicitation in chemical processing and mechanical arts.
- Counseling internal business clients on patent coverage and clearance strategies.

**Qualifications include:**

- Admission to practice before the USPTO.
- 7-15 years of Patent Attorney practice.
- Excellent knowledge of U.S. patent law.
- Significant experience with patent drafting and prosecution experience.
- A degree in Chemistry or Chemical Engineering.
- Particular interest applies to candidates with an advanced degree in Chemistry specializing in inorganic chemistry with considerable experience in synthesis and characterization of inorganic materials.
- Experience with USPTO appeals, foreign patent solicitation, and PCT practice are all desired.

UOP provides competitive compensation commensurate with background and experience and offers a comprehensive benefits package including Medical, Dental, Survivor Benefits, Savings Plan and a Pension Plan.

To apply on-line, visit our web site [www.uop.com](http://www.uop.com) and click on "Careers". Alternatively, please mail resume and salary requirements to us at the following address: Office of Chief Patent Counsel, Law Dept., UOP LLC, 25 E. Algonquin Rd., Des Plaines, IL 60017-5017. U.S. employment authorization required.

UOP is an Equal Opportunity Employer

**GLOBAL PATENT TEAM EXPANSION**

**BAKER & MCKENZIE**

With a network of locally qualified and internationally experienced lawyers located throughout 38 countries, Baker & McKenzie provides valuable advice on a global basis regarding the acquisition, protection, enforcement and exploitation of intellectual property rights.

We are expanding our Global Patent Team and are actively recruiting qualified candidates at all levels throughout our locations. We are particularly interested in candidates for our growing patent practices in Beijing, Hong Kong, Shanghai and Taipei (where a proficiency in spoken and written English and Mandarin is required), as well as in our U.S. locations. We are interested in candidates with a technical degree, proven record of academic achievement, good communication skills, a stable work history and law firm experience.

Baker & McKenzie provides an enjoyable work environment, challenging work, an interesting culture and rewarding opportunities for the right candidates. If you are highly motivated and meet the above requirements, we invite you to contact us. All inquiries will be held in strict confidence.

Visit us at [www.bakernet.com/ip](http://www.bakernet.com/ip)  
Contact us at [ipcareers@bakernet.com](mailto:ipcareers@bakernet.com)

**PATENT LITIGATOR**

Significant portable business required. Technical degree preferred but not required. Must be willing to sit for next Florida Bar examination. Please forward resume to Laura Crovo-Lane, Director of Legal Recruiting, Akerman Senterfitt, One SE Third Ave., 28<sup>th</sup> Fl., Miami, FL 33131 (Fax: 305-374-5095) or [lcrovolane@akerman.com](mailto:lcrovolane@akerman.com).

**PATENT ASSOCIATE / AGENT**

Biggers & Ohanian, LLP, a growing patent firm located in Austin, Texas has immediate openings for motivated and talented patent attorneys and agents having at least 3 years experience. We offer unique growth opportunities to our professionals. Candidates must have superior credentials with significant experience in preparing computer hardware, software and network applications. [careers@biggerslaw.com](mailto:careers@biggerslaw.com)

BANIAK PINE & GANNON, Chicago Loop IP boutique firm, seeks high-caliber Associate with at least 2 years of patent experience. At least half of the experience must be in litigation.

Qualified applicants must have the following:

- 2 or more years of patent experience;
- High academic credentials;
- Demonstrably excellent research and writing skills;
- United States Patent and Trademark Office registration;
- Strongly motivated person who enjoys litigation, takes pride in work, and works well with a team.

If you are interested in top pay and excellent benefits in a friendly, rapidly growing firm that has a large prosecution base and extraordinary litigation practice, please fax resume and salary requirements to: RESUMES, at 312-673-0361.

Qualified APPLICANTS only please— no search firms.

**PATENT ASSOCIATE**

**THELEN REID & PRIEST** a national, full service firm with 400+ attorneys is currently seeking a patent associate with significant experience in the electronics and computer software field to join its growing patent group in downtown San Jose. Candidates must have excellent analytical and communication skills, a minimum of 3 years patent prosecution experience, CA Bar and registration with the USPTO. We are seeking an individual with a strong academic background and previous law firm experience.

We are a large firm with a small firm feel offering exciting challenges, career growth and a desirable South Bay location! We offer a competitive salary and benefits package. Please send cover letter, resume and law school transcript in confidence to: Cathy Elchinoff, Thelen Reid & Priest LLP, 225 Santa Clara St., Ste. 1200, San Jose, CA 95113.
