PATENT ATTORNEYS

Bose McKinney & Evans LLP, a full service, profitable, law firm of more than 125 attorneys, with a main office in Indianapolis and satellite offices in Washington D.C., Raleigh, NC and West Lafayette, IN, seeks to add a group of patent attorneys or a small IP/patent boutique firm to its existing and growing IP practice. Ideally, this would be a group of 3 to 15 individuals, having experienced associates and partners, who are entrepreneurial and capable of assisting the firm to further develop IP work from an existing stable of strong business clients, as well as assisting with creative business development efforts to attract new clients. These attorneys should be willing to become involved in aggressive strategic planning initiatives, work closely with complimentary practice groups, and become involved with firm management. This group should be profitable, with an eye toward increasing those profits through an association with a larger firm with significant resources. Relocation to Indianapolis or establishment of a regional office in your current location are both possible. Please contact Scott Tarter at starter@boselaw.com.

Shimokaji & Associates in Irvine, CA seeks:
