Senior Litigation Attorney

Wolf Greenfield is the largest New England law firm devoted solely to intellectual property. Our depth and breadth of expertise and national reputation bring industry leaders to our door for strategic IP counseling and complex IP litigation issues. This significant client base is demanding an expansion of our litigation practice. We seek a senior litigator with 15+ years of IP litigation experience. The candidate should have a proven trial record and demonstrate outstanding client service and complex strategic analysis and planning skills. Strong interpersonal, written, and verbal skills are also required.

Please submit resumes in confidence to: Jo Parente, Esq., Legal Hiring Manager, Wolf, Greenfield & Sacks, P.C., 600 Atlantic Avenue, Boston, MA 02210.

Patent Associate

Madison, WI Law Firm with long established IP practice seeks patent attorney with 3-5+ years experience in IP practice. Degree in Electrical or Mechanical Engineering preferred. Chemical background helpful. Ideal candidate will have strong experience in all areas of patent practice, including prosecution, transactions and litigation support. Superior oral and writing skills required. Send resume to: Patent Position Search, Lathrop & Clark LLP, P.O. Box 1507, Madison, WI 53701-1507 or by email to lheinld@lathropclark.com.

K&L Gates' Pittsburgh, Pennsylvania office is currently seeking talented patent associates with backgrounds in organic chemistry or chemical engineering to join its national and widely-recognized intellectual property practice. Each associate will be involved in a variety of intellectual property matters, including those involving patent, trademark and copyright preparation, prosecution and counseling, licensing, opinion work and litigation support. Qualifications include three to five years of experience preparing and prosecuting patent applications and registration to practice before the U.S. Patent and Trademark Office. Applicants must have a J.D. from an accredited law school and also be admitted to practice and in good standing before one or more state bars. Please apply on-line via the Lawyer Recruiting section of our website at:

www.klgates.com

PATENT ATTORNEY

Stoel Rives LLP seeks an associate attorney with 3-5 years of patent prosecution experience to join the firm's Portland, Oregon office. Strong technical background in electrical engineering, mechanical engineering, or physics is desired. Excellent academic record, strong interpersonal skills, and USPTO registration are required. Please send a cover letter, resume, and law school transcript to Michelle Baird-Johnson, Recruiting Manager, Stoel Rives LLP, 900 SW Fifth Avenue, Suite 2600, Portland, OR 97204 or email mbjohnson@stoel.com (NO CALLS, please). EOE.

www.stoel.com

Expanding South Florida IP boutique seeks patent attorney with EE background and 3-6 years patent prosecution experience preparing and prosecuting complex cases. Ideal candidate should have at least 3 years engineering experience with RF, microwaves, analog electronics and software. Experience with licensing, opinion drafting and trademarks a plus. We offer competitive salary/benefits, a collegial environment, and a great opportunity to join a growing South Florida practice. Submit your resume in confidence to: (Email) info@saccoip.com.

STANZIONE & KIM, LLP

Stanzione & Kim LLP is seeking patent attorneys and/or patent agents with electrical engineering backgrounds. Ideal candidates should have at least 1-2 years of experience in drafting and prosecuting patent applications. Competitive compensation and benefits package. Qualified candidates should forward their resume including salary requirements to our Human Resources department at: Stanzione-kim@snkiplaw.com or fax to: 202-775-1901

www.snkiplaw.com

RealNetworks provides the universal platform for the delivery of any digital media across any network to any Internet-enabled device, globally. Established 12 years and Seattle-based, we are growing rapidly and are welcoming applications from experienced Patent Attorneys to join our Legal team.

As an addition to the team, you will manage and prosecute our expanding IP portfolio. Other duties will include strategic patent planning, implementing portfolio development strategies, patent drafting and resultant prosecution.

Ideally, candidates would have an undergraduate technical degree and a minimum of 3 - 5 years firm/in-house experience. Exposure to all aspects of patent practice ranging from the development to the prosecuting of applications, as well as strategic development of our growing patent portfolio is essential.

Applications for this opportunity should be addressed to:
